INFORMATION OF THE VENDOR AND THE PURCHASERS

The Vendor is a company incorporated with limited liability in Hong Kong and a wholly-owned subsidiary of the Company, whose principal business is investment holding.

The Company is a company incorporated in the Cayman Islands and listed on the Main Board of the Stock Exchange. The Group is principally engaged in the manufacture and sale of packaging materials in the PRC, securities trading and other investing activities, ticketing agency business and money lending business.

The Board has no information about the Purchasers, since all the Purchasers bought the Sale ICPS on the Main Market of Bursa Malaysia Securities Berhad.

REASONS FOR AND BENEFITS OF THE FURTHER DISPOSAL

The Sale ICPS and the Sale Shares were originally acquired by the Group at the price of RM0.80 each as a long-term and strategic investment which the Directors believed that it would provide a reasonable strategic investment opportunity for the Company and enable the Group to generate sustainable and attractive returns for the Shareholders.

However, during the period between the March to May 2017, the Group was approached by the purchasers of the Sale Shares who had provided very attractive offers at the price of RM1.10 for each YTB Share. Therefore, the Board considered that the Previous Disposals provided the Company with a good opportunity to realize its investment in Yong Tai and enhance the cash flow of the Group. As a result, the Group disposed of all the YTB Shares that it subscribed from Yong Tai.

Since the Group no longer holds any YTB Shares (which carry voting rights at the general meetings of Yong Tai), the Board considers that the Group should also dispose of the ICPS (which do not carry any voting rights at the general meetings of Yong Tai, save for a few exceptional circumstances) that the Group has subscribed when opportunities arise.

On 13 June 2017, the Vendor sold 47,133,000 ICPS through its securities broker on the Main Market of Bursa Malaysia Securities Berhad at the price of RM0.9 for each ICPS. Details of the Disposal were disclosed in the Company's announcement dated 13 June 2017.

Based on the original acquisition cost of RM0.80 for each ICPS, the selling price of RM0.9 for each ICPS and the total brokerage fee of approximately RM17,370, the Group expects to realize a gain of approximately RM1,269,330 (equivalent to approximately HK\$2,279,717) resulting from the Further Disposal. The Group intends to apply the proceeds from the Further Disposal as its general working capital and for financing any investment opportunities which may be identified by the Group from time to time.

Upon Completion, the Group will remain holding 140,000,000 ICPS in Yong Tai.

IMPLICATION UNDER THE LISTING RULES

As certain applicable percentage ratios calculated under Rule 14.07 of the Listing Rules in relation to the Further Disposal in aggregate with the Disposal and the Previous Disposals exceed 5% but are less than 25%, the Further Disposal, the Disposal and the Previous Disposals together constitute a discloseable transaction of the Company and is subject to the reporting and announcement requirements but exempt from the Shareholders' approval under Chapter 14 of the Listing Rules.
